Teach - Impart

Debbie teaches the truth of scripture as it was intended in the Hebrew, a method called "lamad." The Hebrew language uses one root (lamad) for two words "to teach" and "to learn." All learning and teaching are ultimately to be found in the fear of Lord. Our goal is not in just facts but the prayerful hope and interest of changing lives. Debbie brings both her own personal testimonies and revelations while teaching, as well as engaging others.

Unfolded Hearts Ministry offers biblical counsel & spiritual formation intended with the emphasis on learning how our hearts & souls process the struggles of life. Established in September of 2008.
